

NOTICE TO ALL RESIDENT OWNERS ON KILBOURNE DR.

In response to the on-going pleas of action about street parking on Kilbourne, the KV Master Board & Single Family Board are taking the following survey. Our deliberations have produced the only three options of action that we see are available. Each option has its “pros” and “cons” of course. The choice is yours to make. We will present the results to the Bermuda Run Town Council to act upon.
