BERMUDA RUN MESSAGE ABOUT SIDEWALK REPAIR

The Town of Bermuda Run has contracted with Precision Safe Sidewalks to repair trip and fall hazards on Town Park Drive. Crews began on August 24th, 2021. Repairs will be made to roughly 300 hazards over 1.07 sidewalk miles. Weather permitting, the project is anticipated to take 6-8 days.

Bermuda Run knows of other concerns from residents along Lakeside Crossing and the Bridgewater Street/Parkview Lane area. They have this on their list for next steps as funds are available.

KINDERTON VILLAGE IS A GREAT PLACE TO LIVE. LET US KEEP OUR COMMUNITY SAFE TOGETHER

Kinderton Village does not have an official community watch team at this time, but as a community we can keep our neighborhood safe. If you ever see something suspicious, contact Davie County Sheriff's Office or if an emergency call 911. Just recently there was an incident that took place in our community. The community is very thankful for the Davie County Sheriff's Office taking care of this incident and removing the perpetrator from our neighborhood. You can read about the incident in the [Davie County Enterprise Record](#). We can continue to keep unlawful activity out of our community by reporting suspicious activity immediately to help incidents like this caught even quicker. Report suspicious cars or people who really seem out of place. Together we are stronger against unlawful activity.

REPORT SUSPICIOUS ACTIVITY TO:

KINDERTON VILLAGE STREET LIGHTS

Message from Duke Energy. " Did you know you can help promote safety and security in your community? Any time you see a streetlight out or in need of repair, contact us to report the outage, and we'll send out a maintenance team to repair the issue. Keeping streetlights functioning properly is part of our commitment to providing reliable, safe energy to our communities." You can report a light outage on DukeEnergy.com on their interactive light repair request page with a few easy steps. Type in your address, zoom into light poll on map, select outage pole on map and then submit light repair form.
