Acquiring Key Cards: Residential owners in the new section of the Single Family Homes should contact Cedar Management Donnette Anderson (danderson@mycmg.com) to request a pool card. Cedar Management will then need to verify the address and ownership to Priestley Management prior to a card being sent out. If you are a new owner of a preexisting property, the pool card should have been transferred with the property. If it was not and you need a replacement card then the replacement cards are \$50.00. Checks should be made out to Kinderton Village Master Association PO Box 4408 Greensboro, NC 27404. They are sent out by mail weekly. Please allow 7-10 days for this process. Please note: requests for pool access and cards is not an emergency, calls will be returned Monday – Friday only.

HOA dues must be current before the pool card can be activated. If your dues are paid in full, your pool pass will be activated. If your dues are delinquent, it will be 30 days before we have another report and can activate your pool pass. A fee of \$35.00 will be charged to reactivate the pass once your account is current. If you violate the pool rules, the pool pass may be deactivated for the remainder of the pool season. Non-working pool cards are not an emergency. Contact Priestley Management at bmyers@priestleymanagement.com and the status of the card will be investigated during normal business hours.
