JUNE

28

## Brush & Limb Pick Up (Normally Last Monday of Every Month)

**DAY:** Monday Jun 28, 2018  
**TIME:** 7:00 AM  
**WHERE:** Street Curb Of Residency

**NOTE:** **LIMBS:** Should be reasonably fresh and solid (no stacks of rotten wood). Should be no larger than 6" in diameter and no longer than 12 feet. Should be stacked in one pile, turned parallel to the edge of the street. (\*\*Do not put next to light poles) **SMALL BRUSH:** Should be bundled and tied with string or twine. Hedge trimmings will be accepted if bundled. No grass clippings accepted.

## KINDERTON 4TH OF JULY PARADE 10 AM

### CHILDREN of Kinderton

Decorate your bikes, carts, wagons etc. Come and be in the parade thru Kinderton!

Best decorated will receive a prize. Refreshments will be on hand for the riders after the parade. Meet on 4th of July at 9:40 AM at the corner of Town Park and Windsor Circle

Residents of Kinderton, if possible come outside and wave the riders along, they work hard on their bikes and it's wonderful to see them enjoy the parade.

### VOLUNTEERS NEEDED

In need of volunteers to stand at some of the corners during the parade in order to stop traffic. If you have a golf cart and can help flag traffic that would be great too. Email: Larissa Brenner at [brennerlarissa@hotmail.com](mailto:brennerlarissa@hotmail.com)

## COMMUNITY

### Summer is here! Let's all share the road!

As we enjoy the warmer weather, please be mindful of children, walkers, runners, bikes, golf carts, etc. on our town streets.

Please observe posted speed limits, and ask landscapers and other maintenance companies to not park in blind spots if they must park their vehicles in the street.

## POOL

### Why shower you wonder?

If you've ever had red eyes or a runny nose after your swim, surprise! It's NOT from the chlorine, as people usually believe; it's actually the chemicals mixing with URINE and all the other bodily fluids that people leave behind in a pool, like SWEAT, dirt and POOP! We all have small amounts of fecal matter on our bodies, tiny germs, potentially Cryptosporidium (aka "Crypto"), E. coli and norovirus germs, which can be released in the water. Swallowing even a small amount of water with fecal matter has the potential to make you and others sick. All of those germs swirling around in the pool are also a likely cause of swimmer's ear. Chlorine takes a while to kill germs so they can be floating around you.

IMPORTANT for the reasons above... parents need to insist their children take bathroom breaks often to pee and have them take showers before swimming. Please remind them to be careful not to swallow the water.

### TOWN OF BERMUDA RUN TREES

Town of Bermuda Run Trees are located between the side walk and the street. These trees are trimmed and maintained by Bermuda Run. Do not trim or cut these trees located in that area.

### KINDERTON VILLAGE SINGLE HOME OWNER TREES

Kinderton Village Single Home Owner Trees are located on the home owners property. These trees should be trimmed and maintained by the homeowner. Trees should be kept trimmed at least 9' above side walks/roads/allies to make clear ways for people, bikes and vehicles to travel underneath clearly.

The town of Bermuda Run picks up branches the last Monday of the month at your curb for your convenience.

### FROM TOWN OF BERMUDA RUN

The Contractor for the I-40 Project at the Davie-Forsyth County Line will be closing the outside Eastbound lane, west of the Yadkin River, beginning on Friday, June 1st at 6:00 PM. It will be reopened no later than Sunday, June 3rd at noon. This work is part of the continuing construction to replace the I-40 bridges over the Yadkin River, and to widen and make improvements along I-40. The project runs from Harper Road in Forsyth County, to 1 mile west of the NC 801 interchange in Davie County. Additional similar weekend lane closures are tentatively scheduled for June 8 thru 10 and June 15 thru 17. Work will progress through the entire project limits. Additional notifications will be sent out prior to each weekend closure. All work is of course weather permitting. Below is a link to the TIMS incident and a Google map of the location.

## CLUB HOUSE

### VOLUNTEERS NEEDED

Kinderton Village has a need for additional volunteers to act as KV clubhouse rental agents. Please consider helping out as the renting of the clubhouse helps to defray the cost of maintenance, repairs and updating to the building and it's contents. Contact our club house volunteer Diane Pfundstein for details at [KindertonVillageClubhouse@gmail.com](mailto:KindertonVillageClubhouse@gmail.com)

The club house was newly decorated by Kinderton Home Owner Volunteers Diane Pfundstein & Cathy Ring. Thank you ladies for all your hard work. It looks great. They really made it a great place to host a family gathering.
